NORTHWEST IOWA CHRISTIAN SCHOOL TUITION ORGANIZATION

# NICSTO

NICSTO is a program designed by Iowa state law to promote school choice for the benefit of Iowa students. The program distributes funds in the form of grants annually to low or moderate-income families attending schools within the organization. Unity Christian has the opportunity to raise funds to distribute to families in need of assistance.

## Here is how NICSTO works:

If you have an Iowa income tax liability, you could give a donation to NICSTO which would then provide Unity Christian with funds to be used for tuition assistance. Then when your tax work is done in March or April, you will receive a tax-credit of 75% of your donation from the state of Iowa. **There is no limit on how much you can give!**

Your donation directly benefits Unity Christian families. In the 2022-2023 school year we were able to distribute **\$274,115 to 84 families** in need of tuition assistance.

Thank you to all who were able to bless Unity families through this tuition assistance opportunity. If you have not given in the past or are a regular giver, please consider a gift today!

**Please send in your donation before December 1st.**
