

12th Grade Students Only:

The meningococcal vaccine is a **NEW REQUIREMENT** by the Iowa Department of Public Health for the start of the 2017-2018 school year.

All students entering 12th grade must have the meningococcal vaccine. Those who had the meningitis shot before age 16 will need a booster before 12th grade.

There is no grace period allowed. Students cannot start school without the vaccine.

Please bring your students **UPDATED** immunization record sheet with you to registration.

THANK YOU!
