

Information to Complete Registration Forms

1. Go to our website and click on Forms and Documents, go to Registration Files.
2. Read the Registration Information Letter.
3. Registration Forms:
Page 1: Fill in your NAME. If you completed your parent information on the website, you do not need to fill in the other information in the top box - just check "I did this already". Then please complete the rest of the information on that page. If you would like help with the financial part, a Board member will help you with that on registration night.
Page 2: Please complete and sign
Page 3: Optional for those who need bus service and need a second parent contact.
4. Parent Service Requirement: Please complete and sign each year.
